ALIQUANTUM ON SHOW

ALIQUANTUM went to the Chester Business-to-Business Exhibition this month and we had a wonderful day.

Sue Fernandez of [BOSSco](#) and Susan Allan of [Louise Garman Interiors](#) very kindly came along to lend their support and represent their own businesses as well.

We made many useful contacts among both the exhibitors and visitors and look forward to seeing them at future ALIQUANTUM events.

Our next Event is on Tuesday, 27th June and the invitation follows shortly. This is going to be a very special event for a number of reasons, not least because it is the first event attended by the team from Wotif.com who are sponsoring ALIQUANTUM by providing a benefits package for Members of ALIQUANTUM and also some fabulous prizes to be given away on the night.

I am also delighted to have Sue Fernandez from BOSSco as our guest speaker. Sue promises to share her passion for business and some interesting stories about a 15 ton gorilla as well as providing us with some fun!

If you know someone who would benefit from attending please do invite them and let me know.

Kind Regards

Laura

MAY MEETING

We had another really good meeting this month and it was a pleasure to see some familiar faces among the new ones.

We explored the relationship between the Purple Hat Philosophy on life and networking and had a few chuckles along the way!

I'm delighted to report that feedback from people who attended has been very positive. Among the messages received were:

Yet another super meeting tonight, I really enjoyed meeting so many busy women. There was a great atmosphere tonight and I am sure everyone enjoyed it and made some worthwhile contacts.

Margaret Booth, Enerbooth Ltd

Just a quick note to say that I thoroughly enjoyed last night. The structure was good and I really liked the relaxed atmosphere of it all.
